“ Sorry to hear about Bruce's passing. He was a great guy that would always brighten a room. We went all through school together and were very close friends until I moved out of the area in the early 90's and lost contact. We jokingly called each other "Cuz" because we had the same last name. It wasn't until later when I filled out a family tree that I discovered that we were actually 4th cousins once removed. Sympathy and prayers to all the family.

“ We weep for ourselves, not for you as you are in a glorious place surrounded by so many of our loved ones. Rest in peace my sweet uncle. You will be missed until we meet again.

*Bruce fought so very hard for so very long. While it hurts to see him go, it is a relief too see his very difficult struggle come to an end and know that he has crossed over to a place we can only imagine. We shall meet again little brother.*
