“ Bruce Lane Styles Will be missed dearly by my family he was the most Caring loving person you would ever want to meet. We have had many good times and bad times but he was always there through the good and bad times we will remember the good times most of all. He was a man with the biggest heart that I know of he would give you the shirt off his back if you needed it ,We will always miss him but we know he will be with us in spirit, I know from personal experience that his last few months here on this earth with us he was a very sick man but he was still happy go lucky person he would make you laugh in a second, We are all very sad that he is no longer with us but we know he has went to be with the lord and he is no longer in pain or sick any more and that will help ease the pain in our family knowing he isnt hurting or sick any longer. We also know that he knows we all loved him and was there for him through his sickness and there for him makeing the descions that had to be made in his last few days here with us that also helps ease the pain
