“ *Phyllis, Matt and Chris*
I am so sorry for your loss. I got acquainted with Todd in Head Start. Todd was always willing to help us in anyway he could unlike other parents. He was a wonderful Dad to the kids. I really cared for Todd and the children. He raised them with manners and saw that they were disciplined when need be. I know you all will miss him but he is with the Heavenly Father now and happier than he could ever be here on Earth. I will be praying for you all that God gives you grace and strength in your time of need Love you all.

“ *It's hard to believe that your gone. I always looked forward and enjoyed the talks that we had. At time you were the only one that understood things. That I could tell you personal things and you kept to yourself. Even though we lost touch I still thought about you at times. R.I.P my friend. My thoughts and prayers are with the Castle family*

Phyllis, my heart is broken over the news of Todd's passing. We talked not too long ago and brought back so many memories of the great times we spent together. I would love to see or talk to you. I left my number with the funeral home in case you happen to give them a call. I will always consider Todd as one of the best friends I've ever had. Prayers and love to you and the boys.
