“ *Diana is my aunt the best aunt in the world I just hated to loose her because we all love her dearly and I remember when me and her would act like we were in the hood and we would make movements and I remember when she would laugh when we would watch the three stooges or the Andy Griffith show and she would laugh when barney would aggravate Gommer when her would say citizens arrest Andy citizens arrest and I remember watching the riflemen of the mornings I miss all those things she is the greatest aunt ever and I really miss her*

“ A childhood friend, neighbor, classmate, playmate; we were sort of like a big family in Lynn Garden many years ago. Yes, saying we were like a big family definitely describes my memory of Diane. She will be sadly missed and so happy to know that I will see her again in heaven. Rest in peace dear one or walk those streets of gold until we meet again. xxo

“ Aunt Diana was such an inspiring woman to look up to. If you were having a bad day, she always knew how to make you smile and make all your worries disappear. She was never afraid to show her love and affection for God or to do his will. Her life was dedicated to serving others. And Im forever grateful to have the chance to go spend time with her at her church that she attended. I know that she is smiling down on all of us. She is at peace and with our loved ones and with God. We love you Aunt Diana and we will all see you again one day.

“ The many memories with Diana are full of wonderful times and TONS of laughter! She was one of the most giving, selfless God loving women I have ever met. The unconditional love that she showed her family was amazing. I am so thankful that the boys and I were blessed to be a part of her life. God bless you all! The boys and I love you so and know that she was met with open arms by Papaw, John and so many others that left before her. She is finally pain free and with The Lord!

Love you and God Bless,

“ Aunt Diana is where she wants to be, where we all want to be. But above all, she deserves to see the All Mighty King! No one lived as selfless as Aunt Di! She isn't just an angel, she lived the life of a Saint! I know God was there to greet her with open arms, along with all of our loved ones. God knew what he was doing when he created Diana, because he knew what all of us would need. I will love you to the end of time Aunt Diana. You were a rock for many & even to those who barely knew you. We love you & will never forget you. Until we meet again, in the arms of our All Mighty King!!

Francis and family, I am so sorry for the loss of Diana. She was one of the most Christ like people one could ever ask to meet. She was a very giving person, always thinking of everyone else before herself. I will always remember our times as children growing up. She always had something funny to say. We will all miss her very much. I was glad to call her my friend. I am most thankful in knowing she is with our Lord is now healed and walks among the saints. Thinking of each of you and praying for you.

Love  
Cheryl
