“ *A life well lived. Earl meant a lot to The Privett Family. We use to go to Daytona to be with Earl, Lucy, Johnny. Carole and Morgan. Then we all lived in the Akron, Ohio area and Earl cut the family's hair. We always had a lot of fun when the two families got together. He will never be forgotten. Love you Mr. Earl. And to all The King Family. He was a treasure. Love and hugs to you all. Debi Privett Henderson*

“ *Mr Earl cut my hair more than once and I will not forget his habitual good nature. If a man's true legacy is seen in the lives of his children, then Earl King was a good, good man. God's best to all.*
