“ *So sorry Dee. Always remembered Mark and the boys "popping in " to see you or bring you something at work. But my favorite memory of him was when us girls went out to eat at Rush Street years ago. Then we stopped by that little bar on Lynn Garden so you could say "hello" to him where he had went to hang out with his buddies. He was so nice and went next door to the gas station to get me a Cherry Coke. Love ya Dee. Hugs and prayers.*
