“ Dear Linda, I am sad and so sorry to hear of Kathy's passing. I know she fought hard and maintained her faith and humor. I wish I could be there, to show you how much family means to me, and I'm sorry I can't make the trip home. Know that I'll be thinking about you and Delores and Jo--the whole Taylor clan. I love you all, and you're always in my heart.

“ Linda,

I am saddened to learn of Kathy's passing. I didn't know about it until Sandra called and told me. I have fond memories of her and us 3 girls spending the night together and having so much fun. When she came over to our house we pushed her all over the yard in her wheelchair....she laughed her head off! I always loved her and thought the world of her. She was a very special person and cousin. She will be missed by so many but know that she is in a much better place now reunited with her dad (Uncle Gene whom I thought the world of as well) and all of her family, including my daddy.

May the memories you shared comfort you in your time of sorrow. God Bless and I love you.

*Love,

“ Linda, Jo, Delores, and family,

I can still remember vividly being at Great-Grandma Taylor's farm on Stone Drive and the corner of Idle Hour Road. As a child, it was a wonderful place to spend time with all of the Taylor cousins, aunts, uncles, and grandparents. When looking at Kathy's picture here, I see the beautiful cousin I remember. I truly love you all very much. I am keeping you all close in my thoughts and prayers.
