“ I just found out about Paige and my heart is broken. I worked with her for many years at SPS. We worked in the same cubicle. It was Paige, myself, Kristy, and Amy. When you spend 8 hours a day, back to back, you really get to know someone. Paige was so much fun. I will always remember her laugh and smile. She was a wonderful person and a dear friend. I remember our trip to Biltmore and the times she came up to the farm to get a Christmas Tree. I'm so glad I was able to reconnect with her this year. I just can't believe she's gone. My heart goes out to her family. If there is anything I can do, please do not hesitate to ask. My email is jenniferfarmer@k12tn.net. Olivia, your mom and I had talked about getting together because the last time I saw you was when you were a baby. She sent me some pictures of you. My how you've grown into a beautiful, young lady. I am truly sorry for your loss.

“ Johnny, Tara, and Olivia, Please know that all of you are in our prayers. God gave us the ability to remember things that are important and you will always have those memories you have shared with Paige. I had the priviledge of meeting her when I took my grandchildren for visits at Dr. Cureton's office. She always was friendly and had a smile. The children loved talking with her. Johnny, you have always been a dear friend to our son. If there is anything we can do or you need anything, let us know. Praying that God will give you peace and comfort in this difficult time in your life.

Nikki, I know there is nothing I could say that would make this time any easier but know that you and your family are in my thoughts and prayers. I talked, laughed, and remembered times past with Paige just a couple of weeks ago. She still had that beautiful smile and bubbly personality that I remembered.

Nicki, my heart aches for you so deeply. I can't imagine losing a child. It has to be the most horrible thing a person could go through. It was so good seeing you & the rest of the family but I hate that it was under those conditions. When Barbara & I saw the line at the funeral home we were so touched knowing that Paige had touched each & every person's lives there in some way or another. That is a testament to the kind of daughter you raised. Be very proud honey. We love you so much.

“ We are so very sorry for your loss. We went to HS with Paige and had the opportunity to spend some time with her this past summer while we were both eating dinner. She was the same cheerful, smiling, loving person that she always had been. She spent time with us sharing all of the wonderful Olivia stories as any proud Mama would have! We are so thankful that we ran into her that evening and were able to catch up on the many years that had quickly gone by.

You're in our thoughts and prayers. May Jesus wrap you in His love and peace as only He can.

“ Paige is like a daughter to me. I babysat her when she was 6 weeks old and I was only 13. She was like my parents 1st grand child. My sister and her mom, Nikki were best friends. She would come over to our house off and on until she was 12 years old. I have a picture of her holding my baby girl. We lost touch as she grew up. I ran into her once at a convenience store when she was about 18. Still gorgeous Paige with that beautiful hair and smile. It wasn't until my son went to Dr. Cureton that made contact again. I love my Paige with all my heart. My heart is broken. I feel like a part of me died today with her. I know that God's Grace is sufficient and i will cling to his unchanging hand. Nikki, my heart goes out to you and the rest of the family. You will forever be in my thoughts and prayers.

“ *I was privileged to get to know Paige and Johnny and Olivia through work. I always enjoyed talking and laughing with her. My prayer is that God will give you comfort and peace for the days and weeks and months to come.*

“Paige and I went to high school together and were in the color guard at the same time there. She was such a sweet girl, always laughing and smiling. I was quite shy and there were times people weren't very kind to me but Paige would always go out of her way to be kind and lend a friendly smile. You could always see the three amigos (Tammy, Kristi, and Paige) having fun together and giggles at all times! As adults you rarely see one another but I had an opportunity to see Paige a few times and as always she had that special smile on her face. She will be greatly missed and I offer my deepest condolences to the family during these most difficult days to come.

Sincerely,
Vicki Surgenor Leftwich

“I've known Paige several years with our daughters going to Weber City Elementary together and seeing her frequently at Dr. Cureton's office. I will miss her very much. She had the best smile, best laugh, and the best heart. Many prayers to her family and her work family.
