“ Another flower has been added to the garden up above. Patty was a sweet soul who didn't know a stranger and had one of the kindest hearts I knew. She had a contagious laugh and could light up any room with only her smile. She was one of those people who made you happy by just being around her. We send our most sincere condolences to her family and friends. May the Lord be with you in these hardest of times and comfort you with peace when you need it most. Treasure the memories and keep her in your heart always. This is not goodbye my sweet friend, only so long, til we meet again.

“ My best memories of Patty are from when we were in high school. She always had a smile on her face and an outgoing personality. She never had a bad word to say about anyone. God speed Patty. May you be free from the demons of this world and pass on to the light of the heavens. Love you my friend.

Patty was a terrific person who brought joy when she walked in the front door. She was an open honest person who never had anything bad to say. My daughter Kim Holbrook and Patty were best friends for many years...the memories always bring a smile to my face.
