“ Each day u strived to live,
Ur body to weak to be.
your love will live forever,
Since ur heart has set u free.
now u walk so breavely,
U feel pain no more.
angels have come to guide to u
and being u to heavens door.
memories well hold so dearly,
Ur smile warmed our hearts
And through our lives youll live,
Uve touched so many.
hard days may be before us,
Its all apart of gods plan.
why u left so soon,
We may never understand.
youll be alone no longer,
And youd tell us dont be sad.
please believe u were no burden
we will always love u dad
our lives have changed forever,
Since the day u passed away.
in heaven youll be waiting,
To meet us again someday

I love u dad and will never forget u.
love always and forever ur son mark and angela

“ This man was a great man father friend and someone even if u didn't really know him you could talk to him. He was the best father a Lil girl could ask for. We never had a dull moment and always done fun stuff. I couldn't go to my 8th grade trip to Washington dc so daddy and judy took me right before freshman yr. We had so much fun going there Gettysburg and to hershys Pennsylvania. I am going to miss all the story's he would tell me about wrestling. His Lil girl has made him proud and done what I told him I would. He got to watch my first match with Misty James and he was very proud of me. He even came back to the locker room and cried! Daddy I am going to miss you so much. I love you from the bottom of my heart and I am going to miss u so much. I wish you was here but I know it's for the best you are where you are. You're no longer in anymore pain.and that mean old cancer isn't attacking your body any longer. Daddy you are and will forever fee the strongest man I have ever seen and met in my life. I'm glad god gave you to me to be my father! I love you so much. REST IN PARADISE MY SWEET FATHER!!!!

“ This man meant and still means a great deal to many of us. He was always telling stories and cracking jokes even when he felt bad. He would try to help us in anyway he could. We lost a great teacher & storyteller but more importantly we lost a great friend. He always believed in you(myself included) even when we didn't or didn't see a reason why we should. It breaks my heart to know he is gone but I find solace in the fact that he his pain and cancer free now. No one can/could throw fireballs like you Terry. Keep throwing those fireballs in heaven. Rest in Peace my friend.

“ He was our biggest fan. Yet he worked with us. But it was there. You just knew the passion he had for us. He believed in us even when we didn't. I owe him a lot for where I am in life. I'm glad that he got to spend some of the last decade of his life happy out there in the spotlight. He deserved it. He deserved to be happy and on top. He had ideas for everyone. The whole roster. He always wanted the best for us. I just hope I never let him down. He never did me.
